Certis Belchim BV did not analytically verify the results of the aforementioned batch provided by the relevant sources, such as the original manufacturer, supplier and/or laboratory service provider. All the quality control results for the aforementioned batch may not be included in this certificate. However, based on the information supplied to Certis Belchim BV from the relevant source(s), it is herewith certified that the aforementioned batch has been tested and found to meet all of the requisite specifications. This data shall neither imply nor constitute any warranted properties nor a warranty of fitness for a particular purpose in legal terms. The customer is not released from their obligation to check the quality on arrival of the goods.

This is an electronically generated certificate and is valid without a signature.
